Invoke The Archangels

There are lots of ways you can invoke the Archangels.

The best way to see it is that you're just having a conversation where you ask your closest friend for help. But you must ask. Angels won't respond unless you ask, because we have free will.

Here are some examples, from formal; be it ceremonial with candles and incense, to informal; speaking inside your head.

"Let the temples of love, light and truth, descend, grow and expand, I request Archangel (fill in the name) be with me for truth and accuracy to be obtained for the highest good of all, thank you, thank you, thank you, it is done, it is done, it is done."

"I now call upon Archangel Raphael in the East. Archangel Michael in the South. Archangel Gabriel in the West and Archangel Uriel in the North. Please shine your light of truth in my life and all concerned. So be it. It is done. It is done. It is done."

"Archangel Raphael, I'm so sad, I just cant get over that he left me, I didn't want him to leave, I still love him, please come into my heart and help me to see things in a way so I can move on, even though I don't want to."
